

formerly known as the
Robert Crown Center for Health Education

ANNUAL REPORT

HIGHLIGHTS

FY2020

After 46 years as the Robert Crown Center for Health Education, the organization opted to change its name to Candor Health Education. We thank the Crown Family Philanthropies for their on-going support and the assistance during the re-brand process. Our mission has not changed! Candor Health Education continues to educate students, their trusted adults and communities on the topics of drug and sex education. Providing them with appropriate knowledge to empower them to make informed decisions that positively impact their health.

INSTANT DIGITAL DELIVERY. Due to COVID-19 school closures, all sex education programming was converted to a digital delivery format.

Educating 12,616 Students Online

Even with the school shutdown in the spring, we still educated

60,894 students received RCC health education programming during the 201920 academic school year

Prepared for the re-brand to:

**Empowering young people
to make informed decisions**

For the launch in August 2020

FY2020 PROGRAM BREAKDOWN

79%
Sex Education

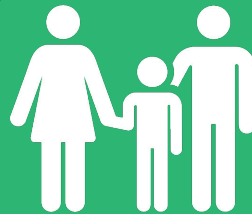

21%
Drug Education

**12% increase
in drug
education
programming**

While Sex Education is the cornerstone of the organization, we've made a concerted effort to deliver more drug education programs.

OVER 1,500 PARENTS

took part in drug and sex education programming, including our **ALL-NEW PARENT/STUDENT** Webinars. Allowing parents to experience a program **WITH** their children.

Special thank you for all that helped us "Strive for 45"

Last year we celebrated our 45th anniversary. In honor, we launched our Strive for 45 campaign to ensure we can educate young people for the next 45 years! Below is the Group of 45. Those that contributed at least \$450 during our campaign.
