Sexting

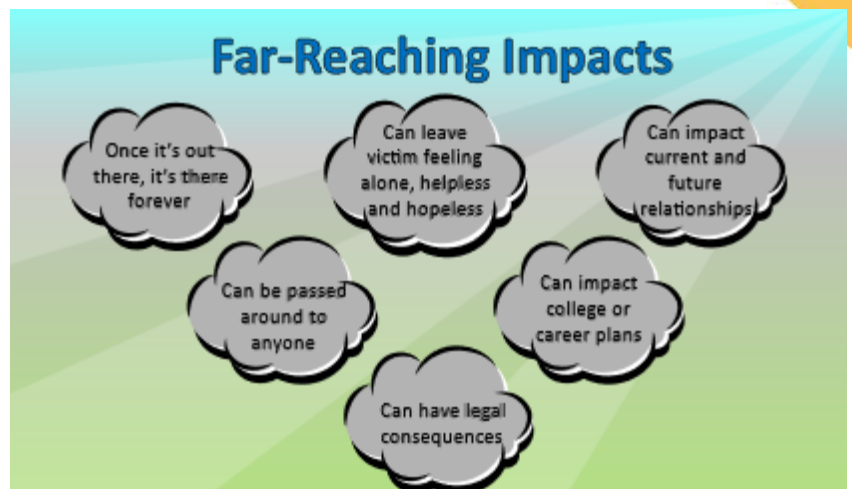

Directions:

Read the following scenario and use the information provided to answer the questions below.

Angel and Chris have been in a relationship for about a year. Angel has brought up sexting a few times to Chris, but Chris always changes the subject. Angel decided to send a nude to Chris one night and asked for one back. Angel waited to hear from Chris, but did not hear anything back. The next day, at school, Angel asked Chris if everything was okay. Chris told Angel maybe they should take a break and walked away.

Sending a sext can have several short and long-term impacts:
